Dear **Adam John Moores**,

Thank you for making a submission via the Independent Office for Police Conduct Secure Form.

A copy of your form is attached to this email. Your complaint has been submitted to the **Police and Crime Commissioners** and you should be contacted by them as soon as possible. We do not have any involvement at this stage and are not able to provide updates. If you have not heard from the police force in a timely manner, usually within three weeks, we would advise you to contact them by calling 101 or emailing them directly using the details listed below.

**Email:** [enquiries@policeconduct.gov.uk](mailto:enquiries@policeconduct.gov.uk)

The complaint system confirmation code is: **4750343**. Please note, this code is generated by this webform and is simply to confirm your complaint was submitted successfully. It is not the case reference, which will be assigned by the police force, IOPC or other organisation dealing with your complaint.

Kind Regards,

Independent Office for Police Conduct
