Miss Green, My name is Adam Moores. Im sending you this message because once again, more life rocking revelations have come to light. Im struggling to find a place to start here.

I received a final decision from GMCA last Friday (28-07-23) then a few hours later you included me in an email thread, i would imagine by accident. Ofcourse when i got that email, it highlighted to me that what ever id said in response to GMCA's decision had probably been forwarded on to yourself.

I then woke up yesterday (Monday) morning, within 5 minutes of opening my eyes it struck me, the surname. Ofcourse, now i realise you were the person responsible for handling my complaint, that being the complaint that i didn't receive a response to for about 3 months, the complaint that ended up getting taken over by another officer.

I immediately also realise that there is clearly somekind of connection between yourself and Kate Green MP, this owing to the same surname, and the timing on the accidental inclusion in a thread and also the clear pattern of pillar to posting you was pulling on me with yet another pretend function within government that should be real but ofcourse, fake people? fake function. And so now i have, what i unfortunately cannot ignore as being that which forms the sturdy basis for strong suspicion of inside clique/connection.

In a nutshell; my complaint wasnt handled my GMP, neither was my complaint handled by GMCA. It was handled by two women that have a personal gripe with me and clearly one that is some serious gripe given theyre happy to oversee further driving of misery in the life of a person who has already had his character mutilated by a bunch of perverted fake wannabe gangster 'police' officers.

I dont want to get into a slanging match or dirt spreading match of any kind if it can be helped but i need to get some points across.

Ofcourse as you probably already know, a situation developed between myself and what was initially two officers. These two officers stole my cars, they called me a pervert

on a countrywide scale and hidden it from me. 4 months after they stole the cars they were back outside my house looking to complete their destruction of someone. I didnt have a clue what was going on, these people gave me not a single opportunity to explain or defend myself. The things these people were saying are without doubt the worst possible types of character destroying attacks anyone can possibly launch on a person.

I then cotton on to their murderous wormy underhand tricks. I initially gave them the opportunity to walk away from the situation, i then realise they have been peddling their dirt on some monumental scale that has made it nigh-on impossible to ignore.

No sooner after theyre chasing me around all day and night with their tongues hanging out like bloodthirsty wolves thinking im some easy pickings they stick my head on the wall like some hunting trophy, they are then all of a sudden in the thick of it under suspension and no doubt peddling somekind of all hard done by "ooh nooos ... we were only doing our jobs..." Yea just doing their jobs robbing someone and sxxxting on their character in the most unacceptable and foremost dangerous way. Just doing their jobs telling everyone where i live, recording me in cafes peddling it on social media on an industrial scale. So these people, having managed to successfully ruin someones life, come very close to killing them but fall short of the mark and end up themselves in the muck, next things its all "oohh nooo's we tried to bully someone to death and its gone wrong... HEEEEELLPP" and who comes running but an entire armmmy of well dressed well spoken absolute lunatics that have clearly decided theyre going to exert all their inner gripes on this new toy that just popped up, as if you lot found yourself some sort of perverted punchbag you can all take turns brutalising as an afternoon pick me up.

*"just doing our jobs.."* i bet they said that, hmm, comical.

So two years after bumping into them officers, i have been fitted up by 2 separate solicitors, ive had probation workers mess me around over 12 MONTHS+++ driving me into a hole trying to stitch me up allowing them wierdo officers to infiltrate my probation appointments and when its not worked out and got any dirt they instead resolve to low level insults, ive had cars full of girls outside my house screaming at me as the main protagonist X0127 MOORHOUSE blasts love music from his car, twice ive had the boyfriend of the girl who peddled my dirty washing on a countywide scale, send her boyfriend to my house with a gang of lads that didnt have it in them even in 4 then 5 infact the last time i engaged them in a passive-aggressive over show of confidence and their backsides fell out and the car was full yet another bunch of absolute laughing stocks, oh and how did these people get my address? By them fake murderous police telling everyone im a pervert and where i live. Ive had my address divulged by these officers on some brutal grandiose scale when they put a google maps marker over my house that said "council house", this after i realised who they were and warned them, this after the theft of nearly £20k worth of car... i gave them a chance to survive what

they had done then they try to mock me as being poor, they robbed me blind and gave me zero opportunity to defend myself all a while im trying to moderate things so they dont get out of control THEY WANTED IT THAT WAY ffor their murderous little ego trip. They have brought absolutely everybody into a situation they relentlessly driven which in full light of day would see them face serious jail time and utter destruction. On that note, i bet they didnt take an inside clique diciplinary too well did they? No doubt theyre off scot free in the grand shceme of it, based on some retrospective hearsay junk they they no doubt attatched themselves too when in reality they thought id make a great addition to their hunting trophies from the off, happy to dish it out on some poor soul, easy for them that, but taking on the chin what they freely give out without a second thought?

Whatever it is i said to that girl all them years ago i dont have a clue although one thing im sure of is i certainly did not stalk her. Can i also add that my thoughts on that whole thing is that she was half looking for an excuse to worm out of the fact she was giving her number out when she was clearly already in a relationship or some kind of courting status with another lad, i say this given the fact some 8 months afterlast speaking to that girl and working out the connection to the cars and then the murderous attempt to label me a 'nonse' i actually goes looking and discover all these pictures on her instagram of her on holiday with her boyfriend barely 2 months after she gave me her number based on timestamps. So il leave that one to you to figure out a potential motive. So all this pretty much, over a harlot. Wonderful, isnt it.. just.. great.

Ok i will try to get to the point.

I really dont know what to say because theres that much gone on but its like this; yesterday when i realised the connection and the fact id been strung along again in what was nothing but a stitch up from day dot, i ended up messaging the MoJ some corruption line i cant remember exact address but counterfraud something or other.

I DO NOT WANT TO BE DOING THESE THINGS. WHY DO YOU PEOPLE INSIST ON LEAVING NO ROOM FOR MANOUVRE AND INSTEAD PRESENT YOUR INTENDED TARGET WITH AN OPTION OF

A) DIE

or

B) DO SOMETHING ABOUT IT IF YOU'RE LUCKY ENOUGH TO WORK IT OUT... THEN PROBABLY DIE

THIS IS WHAT THE ONES BEFORE YOU DID AND THE ONE BEFORE THAT AND THE ONE BEFORE THAT AND ON AND ONNN AND OOOONNNN,

WHY IS IT THAT THE VERY PEOPLE THAT ARE MEANT TO BE SOLID CHARACTERS AND BE ALL HIGH AND MIGHTY ARE INSTEAD ABSOLUTE

CRIMINALS AND WITHOUT A SINGLE SHRED OF MODERATION IN THEIR APPROACH.

IT IS YET, ANOTHER, YET ANOTHER , **YET. AN. OTHER.** MOMENT WHERE PEOPLE SUCH HAS YOURSELF, IN POSITIONS OF LAW AND GOVERNMENT, WHO ARE MEANT TO BE WAY WAAAAAY ABOVE THIS KIND OF THING HAVE ONCE AGAIN.. CREATED A SITUATION THAT NECESSITATES THE DESTRUCTION OF SOMEONE. WHETHER THAT BE ME, YOU THE BOTH OF US. IT HAS BEEN THE SAME THING AGAIN AND AGAIN, ONE AFTER ANOTHER, OF YOUR ALL SEEING WISE AND NOBEL SORTS, RUNNING THE SAME SCRIPT AGAIN AND AGAIN, ONE THAT BARES THE EXACT SAME BLUEPRINTS OF MUTUALLY.ASSURED.DESTRUCTION AS THE KAMIKAZEE PILOTS THAT I FIRST BUMPED INTO BACK IN AUGUST 2021, THEN THERE 'PALS' THEN MORE OF THERE PALS THEN MORE AND MORE AND MORE NAD OMGGGGGG.

AS YOU MIGHT HAVE GUESSED, IM NOT EXACTLY EXPLAINING MYSELF THAT GREAT RIGHT NOW, YOU KNOW WHY? BECAUSE YESTERDAY MORNING WHEN IT CLICKED THAT I HAVE YET ANOTHER GANG OF BUREAUCRATIC TERRORISTS OUT TO MURDER ME IN A LONG TERM CAMPAIGN OF CLOAK AND DAGGER DESTRUCTION AND BY NONE OTHER THAN A DEPUTY MAJOR THAT PURPORTS TO BE LABOUR AND HER INSIDE CLIQUE AT THE LOCAL GESTAPO, I HAVE SINCE THEN DONE NOTHING BUT DESPAIR AT MY OPPORTUNITY TO LIVE ANY SORT OF DECENT LIFE IN THIS AREA. IM STILL TRYING TO WORK OUT WHAT I MIGH HAVE SAID THAT CAUSED ALL THIS, PERSONALLY IM COMING TO THE BELEIF ITS A BLOOD SPORT BY A BUNCH OF TRIGGER HAPPY EGOTISTICAL LUNATICS THAT ALL SAID AND DONE MAKE ME LOOK LIKE A PATRON SAINT. YOU LOT GET ABOUT LIKE A PACK OF HYENAS, EXACTLY THE SAME, GET AROUND IN GANGS AND DONT LIKE FAIR FIGHTS.

SO NOW HAVING REALISED THE LAST 12 MNTHS WAS YET ANOTHER WASTE OF TIME IV ENDED UP LOOSING MY TEMPER AND MESSAGING THE MOJ. I DO NOT WANT TO BE DOING THESE THINGS BUT BETWEEN YOU AND YOUR SISTER OR COUSIN OR WHOEVER IT IS THAT IS CLEARLY SOMEKIND OF RELATION, YOU HAVE STUCK THE BOOT IN LIKE THE 15/20/30++++ BEFORE YOU. THE SAME "OPTION A) DIE OR OPTION B) EVERYONE DIES" ITS THE SAME ULTIMATUM EVERYTIME BECAUSE LETS HAVE IT RIGHT, WHAT OTHER OUTCOME WOULD THER BE IN THIS SITUATION ALONE IF THE FACTS OF THE MATTER COME TO LIGHT. YOU ONLY HAVE TO BUY PEAS ON A SUNDAY AND SOMEONES POLITICAL CAREER IS DOWN THE PAN SO WHAT ARE YOU PLAYING AT UP TO THESE SORTS OF TRICKS WHEN YOURE NOT EVEN COMPETANT ENOUGH AT HIDING YOUR TRACKS? IM ALREADY RUINED SO WHAT MORE WAS YOU EXPECTING TO GET OUT OF HITTING A DEAD CARCASS WITH A STICK? IM FINISHED THAT ONE WAS WELL ESTABLISHED OVER 18 MONTHS AGO WHEN NO SOONER HAD I BEEN DONE OVER BY THEM TWO MURDEROUS TRAFFIC OFFICERS, THEN MY OWN SCURFFY DISGUSTING BROTHER ROBBED ME OF OVER £30K OF BITCOIN THAT WAS MY HALF OF THE MINING POOL AND NO DONT ASSOCIATE ME WITH THAT WASHED UP TRAMP IM NOTHING LIKE HIM,

MAYBE MY SCURFFY GOB AT TIMES BUT CERTAINLY NOT MY MORALS AND ACTIONS. regardless, the route he took looking back then wasnt such a bad idea atleast he didnt waste his time trying, he made his decision in contributing the 11.5% of GDP that this countryeconomy is far more addicted to than the end user is to whatever hyper inflated risk/reward model cash crop product that the brit establishment has done so well out of for the best of hmm what 3 CENTRURIES. Oh speaking of which, my mum became 'one' of your bosses victims 15 years ago when she was in a car accident,. She went in the hospital, the doc gave her some tablets, she never left the house since. She is now hooked on government grade synthetically synthesised opiate derivatives, the same junk know in amerca as oxycontin. Yea cheers for that, thanks for standing idly by while private enterprise was allowed to infiltrate the NHS and create an army of opium addicts, that the tax payer funds and.. well im not getting into this but im not hapy about it your bosses bosses boss knows damn well what the dance is, cant get away pushing it on the chinese anymore and he needs that spare change for caviar and polo shirts so unfortauntely 5%+ of the population will have to be turned into 'drug consumption mules' but you wont bother tackling that one will you nah rather go the way the wind sock blows and drive the red and blue corner ideology that keeps the real wronguns out of the spot light, infact you as a labour Kte should know about this, the destruction of union power, the creation of more and more and more political and social divisions that serve in deviding the populace as part of a century plus long campaign of destruction of the working classes. Straight foward divide and conquer, the more pluses on the ned of the lgbta the better and now you got kids identifying as a toothbrush and people sacked and driven into ruin for saying otherwise, now you got late 20's woman on skateboards sucking their thumb in the tsreet and by the time they even consider having children theyre ddrawing a pension no more of this NEXT.

LOOK, I DIDNT SIGN UP TO THE SAME GIG AS YOU TWO, I KNOW IM TOO DAFT TO BE ABLE TO DANCE DAY IN DAY OUT LIKE YOU PEOPLE DO I JUST CANT MAINTAIN THAT LEVEL OF BOLLOCKS FOR SO LONG SO I WOULDNT WASTE MY TIME, YOU TWO HAVE THOUGH AND WITH THAT YOU TWO GET ALL THESE CUSHY TOUCHES HERE THERE AND EVERYWHERE, WELL THATS NICE, BUT IN ORDER TO REMAIN ENTITLED TO THESE CUSHY TOUCHES AND HWAT NOT, YOU. HAVE. TO . DO. YOUR. JOB. PROPERLY. IT HAS BEEN EXACTLY THE SAME FROM DAY ONE SINCE MEETING THEM TWO ABSOLUTE LUNATIC EGOTISTICAL THEIVING RETARDED OFFICERS. SOMEONE NEEDS TO REMIND THEM, YOU CANT BE A GANGSTER AND A POLICE OFFICER, IT DOESNT WORK THAT WAY, THEY WANTED TO BE BOTH AND NOW ITS CLEAR THEY ARE NEITHER AND WHAT THEY WANTED SO MUCH, JUST LIKE HOW LIFE GOES, THEY CERTAINLY NOW, DO NOT HAVE, AND IN THEIR CASE THAT IS, IMAGE. IMAGE IMAGE IMAGE. I SMELL IT ALL OVER THEM IVE HAD MORE THAN ENOUGH ENLIGHTENING REVELATIONS AND FIRST HAND WITNESS TO THEIR CONDUCT AND APPARENT MOTIVES THAT BY SHEER PROCESS OF ELIMINATION ALONE IN SITUATION AFTER SITUATION, HAS ENABLED ME IN CARVING OUT THEIR TRUE AGENDA. THEYVE DEMONSTRATED THEMSELVES TOP TO BOTTOM IN CERTYFYING THEMSELVES IN THAT RESPECT LET ME MAKE EVVVERRYY ASSURANCE ON THAT ONE, THEY ARE LOW LEVEL BOTTOM OF THE BARREL BALLERS THAT HAVE COMPLETELY LOST TOUCH WITH WHAT IS HUMANELY ACCEPTABLE INFAC T QUITE HONESTLY THAT ONE IS GOING OUT THE WINDOW FOR ME I

JUST THINK THEYRE NARCISSISTIC BLOODTHIRSTY SADISTS. INFAC T LET IT BE KNOWN, I HAVE NEVER IN MY LIFE PERSONALLY LABELLED OR CONSIDERED SOMEONE I PERSONALLY KNOW OF, TO BE A MURDERER. BUT THEM TWO, X0127 AND PC15744 ARE WITHOUT A SHRED OF DOUBT COLD BLOODED KILLERS THANKFULLY FOR ME THEYRE ALSO AS THICK AS TWO SHORT PLANKS, SO THAT ALONG WITH A VERY LUCKY FEW HINTS, MUCH LIKE WHAT HAPPENED HERE IN ENABLING ME TO CONNECT YOU TWO, GAVE ME THE OPPORTUNITY TO ACTUALLY DEFEND MYSELF.

WHY IS IT YOU LOT SEEM TO THINK ITS ACCEPTABLE TO CONDEMN SOMEONE TO SOME CRUEL FORM OF CAPITAL PUNISHMENT?

WHY ARE YOU LOT CONSTANTLY OUT TO MURDER SOMEONE???

CAPITAL PUNISHMENT WAS OUTLAWED A LONG TIME AGO. WHATEVER CRIME YOU THINK IT IS I SHOULD BE PUNISHED FOR CERTAINLY DOES NOT FIT BEING STRUNG UP FOR YEARS AND YEARS IN A SITUATION THAT LEADS A PERSON TO BELEIVE THEY HAVE ABSOLUTELY ZERO CHANCE OF A FUTURE AHEAD OF THEM AND THAT ANY ATTEMPTS AT REBUILDING ARE COMPLETELY FRUITLESS. AND THATS WHERE IVE JUST COME TO WITH IT TODAY. SINCE MAKING THAT CONNECTION BETWEEN YOU AND HAVING REALISED THE SHEER LEVELS THIS HAS REACHED, ON THE BACK OF SOMETHING THAT IN THE GRAND SCHEME OF THINGS, IS AN ABSOLUTE JOKE. MY COMPANY'S GOOGLE PROFILE GETS OVER 100+ IMAGES DELETED OFF YET ANOTHER FAKE AND LOUSY SMARM. SO YOU'RE POLICE ARE YOU? POLITICIANS? GOOD PEOPLE? DO ME A FAVOUR YOU TURN ROBERT MUGABE WHITE MAN IVE NEVER SEEN ANYTHING LIKE THIS IN MY LIFE I DOUBT MANY HAVE BECASUE THOSE THAT HAVE ARE PROBABLY NOT AROUND FOR MUCH LONGER AFTERWARDS

SO. SO WHATY DO I DO. I AM ABSOLUTELY FUMING WITH YOU TWO. YO UARE MEANT TO BE SOMETHING PROPER. YOU ARE NOW THE PINNACLE OF OF THIS MUCKY SITUATION GIVEN THE SHEER HEIGHT OF YOUR PROFESSIONAL STATUS THAT . KATE, WHY ARE OU GETTING INVOLVED IN THE LOW LEVEL SQUABLE OF A BUNCH OF RIDICULOUS TROUBLE CAUSGING FAKE WANNABE GANGSTER WASHED UP FAKE BENT NO MAKR PEOPLE. THEY ARE ROTTEN, IVE HAD ENOUGH TIME TO WORK THEM OUT TRUST ME YOU AINT SEEN THE OTHER SIDE OF THESE PEOPLE OK I MIGHT HAVE A STUPID MOUTH BUT ATLEAST IM HONEST THEM TWO ARE FAKEFAKEFAKEMURDERMURDERFAKEST EALLIECHEATFAKEFAKEMURDERFAKE.

I JUST DONT KNOW WHAT TO SAY, THIS HAS KEPT ME UP ALL NIGHT ID HAVE

GOT MY FIRST GOOD NIGHT SLEEP IN A WHILE AFTER TODAYS GRAFT AND LOOKE FORWARD TO MAKING A GO OF IT. INSTEAD IM TELLING MY LABOURER AND DRIVER IT LOOKS LIKE ITS OVER AND IT BARELY GOT STARTED. LAST WEEK OVER 100+ IMAGES GET DELETED OFF COMPANY WEBSITE, FURTHER DESTRUCTION OF MY CHARACTER, CLEARLY USED POLICE TOOLS TO GET IT PEOPLE DONT JUST GUESS THESE THINGS, FURTHER USE OF PUBLIC FUNDS TO DESTROY LIGITIMATE ENTERPRISE I SPENT 10+ YEARS IN THAT JOB I COME FROM NOTHING SINGLE PARENT FAMILY AND I GET ROBBED ONCE AGAIN OFF A BUNCH OF OVER ENTITLED FAKE MURDEROUS NASTY ASS PEICES OF WORK THAT WHEN PUSH COMES TO SHOVE I RUN RINGS ROUND AGAIN AND AGAIN, THEY HIDE BEHIND THAT APPARATUS THEY ATTACK FROM IT THEN THEY CLAIM TO BE UPHOLDERS OF ITS VIRTUE AND WHAT NOT. WHAT. A. JOOOOKE. WHAT A JOKE.

So what do we do? i have sent that message to the moj. i come to look for kates email, i see a picture of her i think she looks like a good person and ofcourse she has probably heard bad things, yes i understand it takes a wolf to catch a wolf, the only reason i bumped into that girl that caused all this trouble in the first place is because i just had to defend my family and after i beat up some absolute wrongun that was threatening to throw boiling oil in my 70 odd yr old uncles eyes, then weeks later he kills himself and i think all hi mates are out to murder me because i was last person to have gripes with him, so i go cheadle then ive got a bunch of jumped up loony toffs out to give it the big one on me like the bunch of pantomime useless plastic gangsters that they are. That lad that took his own life, he was Chris Lloyd, he was a very serious character and capable of some very serious things and so while were on that subject please ask any of your colleagues that might be in the know about that guy he was crazy then ask them if they would consider what his reaction wouldve been had he found out them two murderous loony officers pinched 15-20k worth of cars off him then called him a nonse on a countywide scale he'd have done his commando gear burning everything to the ground house cars the lot routine and treated it as a bit of fun. I tell you if it were Chris they pulled over i put money on their reaction being "ooh .. just leave just stay away from him just ignore him.." instead with me they thought it was playtime probably because i was courteous to them "oh hes easy goin.. looks like we got ourselves a new toy..".

So i realise sending that email to MoJ could spell more trouble, is there anything left to be lost at this stage?

What do i do?? Pack it all in now ring the next booking tell them its off, then go fethingtch my inkless laser printers 100000 rolls of inkless laser sticker labels jump on my rusty peddle bike and go round printing and sticking everyones life down the spout by joining in your favourite sport in spreading muck about people on industrial scale? build more websites that this time really go in heavy and make you look some sort of way and last i checked, heckling politicians was legal so that shouldnt represent too

much of an issue in some ways. I mean what? What can you expect from someone when you are doing these things, why am I constantly trying to moderate and take it on the chin to keep the peace where all that seems to do is encourage your shadey lot thinking im an easy meal. You want to ruin someone yea? So what choices are you leaving that person with?

I dont want this for any of us. Beleive it or not, i (beleive) i am a good person. ive never burgled anyones house or mugged anyone in the tsreet or done anything that i consider a 'dirty crime'. Yes i pinched a few knackered cars in my teens i was a bit crazy i dnt realise the damage i was doing to peoples lives, when i got my first legitimate bike nicked I NEVER AGAIN PINCHED SOMEONE ELSE CAR because i realised what i was doing to people and it wasnt just "oh they'll just claim it on insurance". I dedicated my life to something proper and i tried ok, now i think, why did i bother, just for some over entitled louts to wreck it on the back of a fxxxin ego trip when the pair of them are absolutely junk people anyway. let me assure you that breadstick only got as mad about me as he did because he tried to bully me and it went wrong infront of his little sweetheart. then when i bumped into them near morrison's, the woman falls apart like a rabbit in headlights and the guy walks on pretending not to know, i didnt even realise who they were till i just passed them now i just think, what a pair of muppets. All this and for what? Because they cant handle themselves, absolute balloons.

And here we go again another pair of balloons. you two. Driving another completely over the top situation that necessitates someones destruction. I dont know what to say. this is the kind of things nightmares are made from you just cant make this up you do realise you are by extension connected to people that reside in a jail cell and that attempted to set me up as a nonse which had they successfully executed their manouvre, would have seen me slashed up. Are you happy to run with people that drive that sort of thing? Harlots, murderers, liars, theives, fakes?

If there's one thing i will apologise to you for and one thing only, and this on behalf of people that just simply dont have it in them to say for themselves; i apologise for them people, and what can only be that fact they have well and truely pulled the wool over your eyes about what they are actually about. I make that apology on the assumption that if you knew all the million and one minor details and breadcrumbs of info, it would lead you in your own minds to know that whats gone on here is very, very wrong, that these people are very evil and very corrupt. That they are not what is good in this world that is worth looking after very much the opposite, they take and destroy and take and destroy and drive it as a hobby instead of a job. have they even laid a single brick ontop of the other or actually 'made something' in their entire lives or have they instead spent the entirety of their fake careers smashing everyones stuff up becasue it comes so easy to them and they get to act hard and make themselves feel important through it. Now ofcourse i recognise that the nature o policing is very destructive as its simply the nature of the beast and a necessary evil in may ways, but such destructive power should be handled very carefully, not by people that still sing school hymns and flush people down the toilet because theyve never been on the receiving end of it and gotten away with their muck for the best of a quarter century.

That is the black and white fact of the matter.

Anyway... i feel a bit better after that rant, make what you want of it.

Maybe nothing will come of that email i sent to MoJ but know this i am not scared of you people no no, im angry with you. that leaves no room for being scared. However, i also recognise, if you have interpreted my character a certain way and you think im a top to bottom lousy so and so, that actually makes the situation a bit more understandable because i know it takes a fair whack to take real baddens out. Im struggling to find right words here, i suppose its, in one world i think we'd be best allies in another world worst of enemies. I hope you have mistaken my character and you are not just out to kill kill kill. I hope you can see beyond this situation and actually give me a chance to redeem myself. I would never interfere with you or anyone else's lives on such a scale i find it morally improper on so many levels. I know you have a job to do that means you need to be this way, im not happy about police changes in the 50's that saw prevention turn to intervention owing to financial reasons but in this day and age i do think its necessary. Just please dont be taking people down a one-way street of death and destruction that gives the person no opportunity to defend themselves against because at that point you are then no better than the people you are out to protect people against.

Miss E Green.

Apologies for the language the situation has made me very stressed, this one took the wind out of me. I won't message this address again unless absolutely necessary and only on official matters. Please in future give someone a chance to defend themselves or at least explain. I know you have probably seen a lot of wrongs in the job you do it can't be easy to trust. I don't want to cause you or K Green any problems. Neither do i want to create any more for myself.

This is the last you will hear from unless needed for official reasons.

All the best.
