Hello Sir,

It's Adam Moores again, thought i'd send you this. I'm not looking for any feedback or response, its a simply a personal eye opener for you and if them two are still on the force.. i will say nothing more except please do not allow them autonomy on the streets again if they must for w.e reason keep their jobs keep please, keep them under a very, very tight leash. I say that without malice but as a matter of whats needed i honestly beleive Moorhouse should have been jailed for what he did and I ask you to consider me a 'proper' person when i say this. As much as i don't 'dance' at the pantomime as well as most do i just dont have time for it but i know whats right and wrong, i never burgled i never mugged i never preyed on anyone weak and i consider myself a good person, an idiot yes, but not a 'bad' person.

Please find a link to a couple of documents that shine some light on the reality of it. Sorry about the notes in adanvce, nice to get a bit off my chest (y).
