Hi Mark,

Thank you for contacting me.

*Could you please provide any crime references or incident log numbers regarding this?  
Could you also please explain the information you are trying to provide in the links? Such as what has occurred, when it has occurred and where is has occurred.*

I've attached a copy of the IOPC/PPO/GMP Complaint revision 5.1 (*July 2023*) which is the latest version that I can think of sending to you that's in a format you may find useful.

Let me know if this is a good format (tabled layout of allegations, officers involved, date, location etc), if so i'll update the report to include all incidents since this version was published.

I've also attached an introduction letter composed around the same time as 'IOPC/PPO/GMP Complaint revision 5.1 (*July 2023*)' in my fruitless attempts to obtain the services of a legal advisor. There are some incident log numbers on there.

This issue has been ongoing since 2021 with 100's of incidents over the course of what now amounts to a number of years. It concerns a vast campaign of personally motivated attacks carried out by people in positions of trust/seats of power in local authority and government through to 'everyman and his dog' at this stage.

Finally, i've directly attached the latest copy of 'Summary of Issues' (02 April 2024) which is a more concise set of complaints including recent incidents.

Main Issues:

- **06-08-21** - CAR TAKEN
- **09-08-21** - CAR TAKEN
- **23-08-21** - COMPLAINT MADE TO 101
- **25-08-21** - OP WOLVERINE ADMITS LIABILITY

- **25TH MARCH 2022 @ MMC** - RAILROADED INTO A JAIL CELL THROUGH COERCION OF DEFENCE SOLICITOR - MISS A DEAN OF NPS WHO IS UNDERSTOOD TO BE A PERSONAL FRIEND OF PC15744 (OFFICER THAT TOOK BOTH CARS 06-08-21 & 09-08-21 - WHO WAS LATER DISCOVERED TO BE CONNECTED TO A YOUNG WOMAN I HAD SHORT ROMANTIC ENCOUNTER WITH AND WHO LATER MISTAKENLY IDENTIFIED ME AS A STALKER IN QUESTIONABLE CIRCUMSTANCES [SHE ALREADY HAD A BOYFRIEND] AND DID NOT DISCLOSE THIS TO ME).
- **SEPTEMBER 2022 - RAISED COMPLAINT WITH IOPC WHO FORWARD TO GMP PSB**
- SEPTEMBER 2022 - **GMP PSB'S ELIZABETH GREEN PICKS IT UP**, DOES NOT RESPOND FOR 10+ WEEKS, CLOSES DESK FOR CHRISTMAS WITH MESSAGE CLEAR IN ITS INTENT TO MOCK ME.

- **JANUARY 27TH 2024 @ ORIENT HOUSE, HYDE, CHESHIRE - OFFICERS IN ATTENDANCE AT MY SELF EMPLOYMENT SESSION.** TWO DAYS PRIOR TO THIS I'D RECEIVED A RESPONSE FROM THE SOLICITORS OMBUDSMAN THAT REFOCUSED EFFORTS AWAY FROM GMP/GMCA IN HALF AN ACT OF PEACE HALF ACT OF NO CONFIDENCE. THE COMPLAINT ALSO INCLUDED EVIDENCE OF MISS K GREENS INVOLVEMENT (IN ORDER TO MAINTAIN THE EVIDENCE FILES CONTINUITY). THIS APPEARS TO HAVE BEEN BROUGHT TO K GREENS ATTENTION. FURTHER DETAIL IN 'SUBJECT\_MATTER'
- FEBRUARY 2024 - PHONE PUT DOWN ON ME TWICE BY TWO SEPERATE FEMALE 101 OPERATIVES
- FEBRUARY 2024 - WALK INTO AUL POLICE STATION TO CLEAR MATTER OF 101 ISSUE. THE FOLLOWING DAY **MY HOME IS SUBJECT TO A WARRANTLESS FORCED ENTRY.**
- FEBRUARY 2024 - BAIL CONDITIONS ARE IN BREACH OF COUNTLESS BASIC LAWS AND RIGHTS. UNDERSTOOD TO BE THE WORK OF PCC K GREEN MANIPULATING POLICE OFFICERS AT THE TOWN HALL EXTENSION IN ORDER TO CONDUCT HER SUBVERSIVE BIDDING.

PCC K GREEN UNDERSTOOD TO BE DIRECTING THIS.

----

Initial contact was made with the IOPC regarding this issue in September 2022 where i submitted a casefile with evidence covering incidents in the lead up to that time. The IOPC forwarded my complaint to GMP's Professional Standards Branch. **Miss Elizabeth Green** at GMP PSB picked this up from the IOPC back in Sep22 and following a small number of messages between us, the Officer then stopped responding without good reason. Police Sergeant Elizabeth Green was later seemingly 'kicked off the job', for failing to respond to me for over 10 weeks despite multiple requests for an update. I eventually received a **final response from GMP's PSB** in late February 2023 which was unsatisfactory although of the three formalised grievances the response tabled, all but one was refuted. Study of the final response from GMP's PSB is in support of the claims made surrounding allegations of improper conduct @ MMC 25-03-2022, which saw me subject to a conviction made in malice and my first and only ever custodial sentence where I was immediately transported to prison for four weeks, released on electronic tag with a curfew and licence for 14 months.

Following GMP PSB's final response, i then raised the matter for review with the GMCA in Early March 2023. This was picked up by **GM-DM Ms Kate Green**, GMP's Police Crime Commissioner. I did not receive an update from her office for 5 months and 28 days. The final response received later that year 27th July went on to rewrite history, even claiming that the two Road Traffic Officers that took both of my cars on the 6th and 9th August 2021, had absolutely no connection to each other which is patently untrue and complete farce. ([evidence here](#))

-

I got back in contact with the IOPC last month when the situation again became [critical](#). The IOPC posted me back to the GMCA - Ms Kate Green's office, where i received a repeat of the [message received 27th July 2023](#) following my protests at their 'findings' which were blatantly ignorant to the clearly laid out and itemised pieces of evidence in the case-file/bundle i provided in support of my claims.

I also received a response from the Solicitors Ombudsman 24th January this year, after i refocused my attention to the wrongdoings my solicitor Miss Helen White of Stokoe Manchester, committed against me 25-03-2022 at MMC where she [deliberated entirely to my discredit following coercion by a certain Miss A Dean of the NPS](#) who had been targeting me for over 8 months already at that stage alongside the two ring leading road traffic officers at the centre of this issue.

I am unable to draw a conclusion from the response I received from the Ombudsman, which failed to respond to the ['Black and White' pieces of evident corruption](#) presented in the case file. There were many nuances and events that took place immediately after receiving the **final response from the Solicitors Ombudsman** which was much inline with the subversive nature of the situation I'd been dealing with since this issue began in August 2021, in this case clear evidence of an attempted setup in the days after the Ombudsman findings were published,

The GMCA/Ms Kate Green responded to my protests as she did with the recent posting-on by the IOPC in February this year, advising me to submit a claim for Judicial Review if I wished to take the matter further; however, I don't feel that is the appropriate action here. It's not the complaint response that is the issue at this stage. My concern is with the complaint handler and her connection to the lady handling the initial complaint hop at GMP's Professional Standards Branch - PS Elizabeth Green and aside for having the same surname which could of course just be coincidence, my suspicions were later confirmed when I was accidentally included me in an email thread from PS E Green's personal email address, this happening just a few minutes after conversing with GMCA's Kate Green through the official Police Complaints Review email address.

The dynamics of this [accidental inclusion in an email thread](#) by PS E Green saw an evidential link established between herself and Miss Kate Green which firmly supports allegations of her misconduct through concerted efforts of corruption carried out in circumstances that are no less than a conspiracy when placed alongside PS E Green and her improper handling of my complaint whilst acting in a professional capacity on behalf of GMP's Professional Standards Branch where she was removed from her post after failing to respond for to multiple requests for an update for nearly 3 months.

Latest developments have seen another 'flare up'. Ms K Green is attempting to 'get rid of me'.

Home subject to *forced entry* 20-02-24.

Home subject to *second forced entry* 19-03-24.

*Conversation between myself and DI / Officer in Charge.*

Please call me on 0777 423 1236 to discuss.

If you need any more information please let me know.

**Thanks again for contacting me.**

Kind Regards,

Adam

Hi thanks for responding to our questions

However, on reading your replies, I am unsure what you are requesting of us?

You say you have already raised this with the IOPC .

If you could just advise what it is your require from us today, we will gladly help you.

Hi Kate,

I need someone to intervene in the current situation and right at least some of the many wrongs.

Ms K Green is known to be orchestrating another attempt to destroy me since she became part of a conspiracy to defraud me of two vehicles and who later exonerated the officers at the centre of the theft. My home was recently subject to two separate forced entries, both of which were warrantless, The officer in charge DI Sheil who is understood to be under the direction of Ms Green through her superior rank as Police Crime Commissioner and Deputy Mayor of GM including her position as a senior member of the GMCA but more importantly her connection to PS E Green at GMP's PSB and PS E Greens connection to the Road Traffic Officers and Staff at Operation Wolverine who were complicit in the initial manoeuvres of delay/failing to respond in a timely manner and also nonsense replies that ultimately resulted in the total loss of both vehicles, which was where this issue began back in August 2021. The road traffic officers were later linked to a woman I had a short romantic interaction with.

Basically, i've got this mad woman out to murder me. After being stitched up for the millionth time and managing to survive it and even show them up a bit. Now they're after my giblets. After ringing 101 in February of this year and having the phone put down on me twice by two separate female operatives and this understood to be as a result of PC15744 Garside and PCX1270 Moorhouses personal connection to a certain Miss Lydia Durnford through Garsides Daughter who was telling everyone im some kind of stalker/sexual-predator and peddling this highly indecent and personally damaging slander on industrial scale, its a well known and established situation in many inner circles and ranks of GMP. So after having the phone put down on me twice in a row, i out the recent attempts made to 'kidnap me' (ask for more info) and make my way over to AUI station to clear the matter of the 101 operator issues and the wider scope of issues that is driven but constantly hidden from me. I ask the desk sergeant, nice woman called Kath remember her from years ago; i mention about the 101 issues etc and then say to her "can you ask any commanding officers or anyone that's interested to please come and speak to me, they can ask me anything they want, i've got nothing to hide.." (I walk into Police station and say "what do you want to know?" - Jackpot - most would agree). Lady at frontdesk comes back after 5 mins and says no one is available to speak to you, can i take your mobile number? The next day my home is raided and i am arrested for harassment. They also take a toy gun/imitation-firearm (some daft toy from blackpool) and state on bail sheet "not to possess any toy gun or imitation firearm in public place - to prevent **further** offences".

The list of breaches goes on and on the above is just an insight. Please check the attachment to this email for a concise set of issues.

I am contacting you here because i have ran the full gauntlet through the IOPC who then forwarded it to GMP PSB where i then raised it for review with the GMCA only to come through the otherside 18 months later having evidenced clear corruption throughout each and every stage of handling both in the complaints process then later in the review process with clear, evidently and substantively underpinned allegations of abuse - i then have my home raided for the first time in my life, twice in 1 month, no paperwork presented at first incident - after badgering DI incharge when appears they have failed to find enough evidence to silence me after seizing all my computers and phones and destroyed yet another attempt at rebuilding my life my nicking all my machines, i am then told there is no warrant for either incident of forced entry and the officer in charge DI Sheil who seems to know very little about what is going on in this situation, there are signature/PIN/badge numbers on search records from officers i have never met, its as though every officer stationed at the Manchester Town Hall extension has performed a function whether that be the forced entry or the different set of very young officers that interviewed me following the forced entry (22+ hours after taking me into custody) who conducted the interview based on a casefile that centered entirely around a single document with the title 'APPENDICES' and then a different officers credentials against the Property Search Record. The whole thing i smoke and mirrors for whats going on. Ive had a full number done on me so far. Robbed of substantial asset value, home address and personal info shared on grandiose scale, called a pervert on countywide scale. Railroaded into a jail cell, cannot get a solicitor to call me back no one will touch it because of K Green and her influence, even the Duty Brief that was supplied to me from the 1st unlawful forced entry and arrest 20-02-2024 (interviewed 21-02-2024) tried to scaremonger me into accepting the harassment charge, when i explained the seriousness and wider scope of issues and my intention to tackle it head on, i think she then realised what was happening and as with 'the rest of them' she took a step back so to speak and at the end of the interview would not give me a card or write her information down despite multiple requests and instead repeated many times "il put something in the post for you .. il put something in the post for you" - did i get anything in the post? You guessed it.

2x cars stolen in 2021.

Stalked at home for years.

Brought cars full of young lads and cars full of girls screaming at me as PCX1270 Moorhouse blasted love music from his car.

Stalked me for months 5+ cars of suspended officers from January 2022 to March 2022.

March - I am jailed through the coercion of my Defence solicitor 25-03-2022.

...  
it goes on

...  
and on  
...  
.. and on ..

- 
1. Please see to it these people are stopped.
  2. My belongings are returned or the value thereof (2x vehicles conservative approx. market value £18,000.00)
  3. Charges of harassment are dropped and efforts made to see charges instead imposed on the actual offenders - false charge.
  4. Charges of "not to possess a firearm in public place to prevent **further** incidents the b removed. They are indecent misrepresentations, they draw an unfair and biased image and negatively characterise me - false charge.
  5. My seized assets are returned.
  6. The officers behind this scandal are investigated.
  7. Damages/reparation proposal.

Thank you

Kind Regards,  
Mr Moores

Hi Adam , again thank you for your detailed response.

However, we cannot help you here, you are contacting the normal control room where we take 101 and 999 calls.

We are not police officers.

You appear to have dealt with the various teams that I would be forwarding this on to.

I am unable to help you with the specific requests you have made as they are out of our hands.

I can make a further complaint for you, but that would be passed thru to the sergeant or inspector of the area you live in.

Would you like me to go ahead and do that for you ?

Hi Kate,

Thanks for your reply.

I appreciate the offer of forwarding this on. I'm in two minds to be honest, for the sake of clarity i feel it would be better if i kept the conversation avenues as low/simple as possible as there's lots of red herrings being thrown in the mix by the people at the center of this issue and will only lead to more potential for confusion.

Thanks again for your time.  
Much appreciated.

Kind regards,  
Adam
